

That's Rich Choreo Notes

Here are some notes and images to help clarify the moments I messed up in.

Starting positions:

2nd position: step forward (L,R,L) to join Rochelle on counts 2,3,4 of m28

3rd position: move on m36

When you go to your pose in this position, *initiate your move* and hit your pose

Elise: *brandy* Andy

Sara: *candy* Scott

Jenna/Sydney: *Frank* yacht

Annie: *stares* fellas

Rachel: *prayers* pope

The heel drops start on m46 out of the vamp. I miss the first 2 in the video, but you'll be able to tell from looking at Chad when they are moving out of the vamp.

4th position: move at m52-53

We forgot this in the video and then got off on the next step. It starts with your L foot tapping out on m54 lyric: mansion

5th position: move m64-65

We forgot this and moved late, and I was in the wrong spot, but I think you should be able to make it in time

Final pose:

Sara, I forgot where you went when we were filming, but you'll step up to be flanking Rochelle, opposite Sydney.

Rachel and Jenna, your kicks should happen on count 5 (right before "that's rich), the ball change is on 3,4. That will give you more time to get into your poses.
